All of said restrictions are declared and agreed to be in furtherance of a general plan for the purpose of enhancing and perfecting the value, desirability and attractiveness of said real property and every part thereof. All of the covenants, conditions and restrictions as set forth in this DECLARATION, shall run with all of said real property for these purposes and shall be binding upon and inure to the benefit of the undersigned, all lots and all owners and their assigns, transferee and successors in interest. These protective covenants shall be subject to amendments only by the constituted municipal governing body in which this subdivision is located, together with a minimum of two-thirds (2/3) vote of legal property owners in the subdivision. Invalidation of any one of these covenants by judgment or court order shall in no wise affect any of the other provisions which shall remain in full force and effect.

The residential area shall consist of Lot 1, Block 1; Lots 1-8, Block 2; and Lots 1-6, Block 3, Juniper Reserve Division 1. Lots within such area shall be for the exclusive use and benefit of the Owners thereof, subject, however, to all of the following limitations and restrictions;

No structure other than one private single-family dwelling, together with a private garage, and a practically sized yard shed for the storage of yard tools shall be erected, placed or permitted to remain on any of the lots. No gainful occupation, profession, trade, business or other non-residential use which encourages patron visits shall be conducted in, on, or from any lot or building. This provision, however, does not restrict the use of the property for a private office wherein telephone and computer based work requiring limited additional traffic, parking and visits are undertaken. No signs will be displayed for business purposes. Nothing herein shall be deemed to prevent the leasing of an entire lot and all the improvements thereon to a single family, and not otherwise, from time to time by the OWNER thereof subject to all of the provisions of the Juniper Reserve Subdivision Restrictions.

The architectural committee is composed of William (Billy) S. Satterfield and Steven H. Satterfield, all of Pocatello, Idaho. A majority of the committee may designate a representative to act for it. So long as Juniper Land Incorporated owns any lots in the subdivision the authority and functions of the architectural committee shall be lodged in and exercised by them. At the time a certificate of occupancy is given for the home built on the last vacant residential lot in the Juniper Reserve Subdivision the architectural control committee provided by Juniper Land Incorporated for the Juniper Reserve Subdivision is dissolved and in turn the existing committee may appoint at least three lot owners of Juniper Reserve Division 1 to replace them on the committee.
